**the small WALTHER adding machine**  
**with BIG performance**

Why not do your figuring the easy way?  
 With a WALTHER comptess, for instance. An electric compact size adding machine operating at 210 printings a minute, furnishing a clearly printed proof of every calculation, its quiet elegant lines blending perfectly with a modern office setting.

The WALTHER product line comprises:  
 Calculating machines (both mechanical and electronic),  
 Adding machines, wide carriage system machines,  
 Equipment for data acquisition.

For particulars and a free demonstration apply to:
